**LEARNING TOGETHER**

Don't forget that active AIM members can apply for funds to support your programs! Visit <https://administratorsinmedicine.org/AIM-Foundation>

The AIM Foundation was formed to provide funding for projects that improve the overall climate of patient safety, enhance the professionalism and skills of AIM member boards and their staff, and/or research problems that impact AIM member Boards.

Don't forget that active AIM members can apply for funds to support your programs! Visit <https://administratorsinmedicine.org/AIM-Foundation>

## Topics Eligible for Consideration

- ▶ Improving the overall climate of patient safety and the professionalism of executives, boards and staff;
- ▶ Special educational events or program enhancements that benefit AIM member boards, board executives and staff;
- ▶ Research requests that seek to solve problems impacting AIM member boards and board executives and staff;
- ▶ Partner with other foundations to carry out joint research or projects that improve patient health outcomes through enhanced board, executive and staff professionalism and skill building;
- ▶ Travel costs to and from AIM sponsored functions.
- ▶ Other –specify why a different focus is more important to your board than those listed above.

## Examples

- ▶ Study of burnout in boards and staff
- ▶ Projects to enhance licensee participation in board matters
- ▶ Studies and recommendations for best practices for boards and staff
- ▶ Innovative projects to increase public awareness of boards and their role in regulation
- ▶ Travel and/or registration costs to AIM sponsored functions or other professional meetings that enhance the professionalism of executive directors and their staff;

## Timelines

- ▶ In general applications are due:
  - ▶ April 1<sup>st</sup>
  - ▶ October 1<sup>st</sup>
  
- ▶ There are two exceptions
  - ▶ Travel scholarship requests
  - ▶ Time sensitive projects
  
- ▶ Awards will be announced at
  - ▶ The AIM Annual Meeting in April
  - ▶ The AIM Fall Workshop in November
  
- ▶ You will be notified by e-mail if unable to attend the meeting.

## What happens if my application is accepted?

- ▶ A check will be sent to the organization within 4 weeks
- ▶ Your organization must show proof that the funding provided was used for its intended purposes
- ▶ With the exception of travel scholarships, your organization must provide a professionally presented final report suitable for publishing and redistribution
- ▶ If requested and feasible, your organization agrees to present the project at an AIM meeting.

## Q. Does all of work on the project need to be done in house?

A. No. When appropriate, awarded funds can be used to pay for work done by a third party.

## Q. How are awards decided?

A. The AIM Foundation Board will review each application. A majority vote in favor of the project is required.

## Q. How do I apply?

A. Visit <https://administratorsinmedicine.org/AIM-Foundation>

# 2023 International Conference on Medical Regulation in Bali, Indonesia.

## ► Takeaways:

- If you are not sitting at the table, you are on the menu.
  
- We are not alone, the issues we face are not unique, support is available and we are stronger together.

INTERNATIONAL ASSOCIATION OF  
MEDICAL REGULATORY AUTHORITIES

Nicole Krishnaswami  
Chair-Elect of IAMRA  
April 17, 2024

# IAMRA's Vision & Purpose

IAMRA is an international community with 114 members/partners from 47 countries.

**Vision:** Everyone around the world is treated and cared for by safe and competent doctors.

**Purpose:** To promote effective medical regulation worldwide by supporting best practice, innovation, collaboration, and knowledge sharing to ensure public safety and enable the global medical workforce to deliver quality health care.

Mrs. Joan Simeon  
Chair

Ms. Nicole Krishnaswami  
Chair-elect

Dr. Heidi Oetter  
Immediate past Chair

Dr. Hank Chaudhry  
Secretary

Dr. Divine Banyubala  
Director

Dr. Boyd Buser  
Director

Dr. Jeancarlo Cavalcante  
Director

Mr. Martin Fletcher  
Director

## Board of Directors

Dr. Taruna Ikrar  
Director

Prof. Gilberto Leung  
Director

Mr. Paul Reynolds

## Global Partnerships and Information Sharing:

- MOU with the World Health Organization
- Physician Information Exchange

# Physician Information Exchange

## Data Sharing Criteria

### Members may submit an IAMRA Data Sharing Form when:

1. A doctor has registered or attempted to register with fraudulent documents or provided other falsified information;
2. Action\* has been taken and the doctor is thought to pose a flight risk to a jurisdiction, where, for example:
  - i. they are known to have graduated from medical school;
  - ii. they are known to have a registered address;
  - iii. they are known to have a registration or a license to practice.

\*Actions that may result in a doctor seeking to practice in another jurisdiction are generally those that adversely affect the doctor's ability to earn an income from medical practice, including, but not limited to:

- Suspension of license/registration for an indefinite or lengthy period;
  - License revocation/cancellation of registration/stricken from a register;
  - Significant restriction of scope of practice.
3. The doctor has been convicted of a serious crime.
  4. A person who is not a registered/licensed doctor has been practicing medicine and is thought likely to seek to do so in another jurisdiction.

Members can view results of all submitted forms.
